

GRETNA HIGH SCHOOL BAND HANDBOOK 2024 – 2025

Teachers:

Mr. Alex Woodside
Mr. Noah Hickman
Mr. Seth McKenzie
Mrs. Chris Tucker

Welcome to the 2024 - 2025 Gretna High School Band Program. Our hope is that this band program will be an organization that the students, parents, and community can be proud of. In order to create a positive environment, the ensemble needs a set of governing policies. To avoid misunderstandings, the expectations of the Gretna Band members are contained in this handbook.

The emphasis of the band program is on musicianship and taking pride in our accomplishments. When taken advantage of, the band program is a place where well-rounded individuals are developed. Through hard work, dedication, and a sense of teamwork, not only are first-rate bands created, but also mature young adults. The success of the band program depends a lot on the individuals of the group striving for our common goals and adhering to the set guidelines.

1. All students are required to be at all mandatory band functions. These functions include all rehearsals/sectionals and performances for Marching Band, Concert Band, Jazz Band, Pep Band, and Solos/Small Ensembles.

Pictures

RECORDING OF OTHERS

Recording others (photographs, videotaping, sound recording, etc.) without direct administrative approval and consent of the person(s) being recorded, other than recording persons participating in school activities that are open to the public, is prohibited.

Attendance at School

All students who participate in any school activity must be in regular full day attendance the day the activity is scheduled. This applies to practice sessions as well as games, meets, etc. An exception may be made if a student shows verification of having a doctor's appointment or has prior permission from the administration.

Uniforms

1. Uniforms are worn at all required marching and contest events and are to be worn fully and correctly.
2. Uniforms are expensive and must be taken care of. If negligence causes damage to a uniform, Mr. Woodside will determine what fees will be charged to the student.
3. Uniforms and hats will be fitted and assigned to students during scheduled fitting sessions. This will be the student's uniform for the entire school year.
4. For pep band, students will wear their green band polo.

Uniform Guidelines

*Failing to adhere to these guidelines negatively affects how judges score our performances.

1. **Jewelry:** No jewelry of any kind can be worn during a formal marching band performance. This includes, but is not limited to, watches, wristbands, rings, earrings, and necklaces. Nose rings will need to be removed or covered with a band-aid if they cannot be removed.

2. **Hair:** All hair needs to be up and off the collar in a neat and orderly fashion as close to military standards as possible. Students with longer hair may need larger hats so that the hair may all fit inside the hat.

*There will be hair stations for contests and football games. A student in each section will be assigned responsibility for their section.

3. **Underneath the Uniform, Socks, and Footwear:**

- a. All students need to wear the marching band theme shirt underneath the uniform.
- b. Students also need to wear black athletic shorts underneath the bibs. There may be situations when we will be seen without any part of the full uniform (no bibs or coat), so we still need to look totally unified.
- c. Students need to wear ALL-BLACK full-length socks. Low cut and no-show socks are not usable in marching band.
- d. Students will all need to purchase a pair of Drill Master marching band shoes, and students are expected to keep the shoes clean and free of mud and other field "debris."

e. Absolutely NO Jeans.

4. **The Uniform Coat/Jacket:** When the student is in the position of “instrument up” and the head above parallel, the base of the coat should be long enough that none of the t-shirt is exposed. Also, the length of the sleeves in this position should reach all the way to the wrist. The student’s instrument being in the most extreme position should not expose any skin of the arm.

*Tape for gloves will be at the hair station.

5. **The Uniform Pants:** When standing at “attention” the length of the pants should be such that the end of the pants meets the top of the shoe with absolutely no break in the seam of the pants. This again is the military standard, and although it will look shorter than the pant leg length of traditional “street” clothes, it is correct for marching band.

Concerts

1. **Appropriate Dress:** Concert black is required for all concert band concerts and contests. This simply means wear all black dress clothes. For both male and female students this is Black Top, Black Pants, Black Socks, All Black Shoes. All black clothing needs to qualify as “dress clothes” and should not be casual attire. T-Shirts and sweatpants will not be allowed.

*Students that do not follow the dress code will be sent home to change.

*If there is a financial issue, please contact Mr. Woodside so that other arrangements can be made.

2. **Punctuality:** Arrive at least 30 minutes prior to each performance.

3. **Required Attendance:** Students must participate in each concert, as they are a major part of the band program and account for at least 50% of the students’ grades.

Concert/Jazz/Percussion Ensemble Make-ups

1. **Unexcused:** Any student who misses a marching/concert/jazz/percussion ensemble performance with an unexcused absence must make-up 70% of the performance participation points by completing an alternative assignment as determined by the directors.

2. **Excused:** Any student who misses a marching/concert/jazz/percussion ensemble performance for an excused absence will be exempted from that grade in the gradebook.

3. **Pep Band Make-Ups:** Any student who misses a Pep Band performance with an unexcused absence will be allowed to make-up the performance **by attending an event for a different pep band (i.e. If you are in Gold Band, you can complete a make up by attending a Green Band event)**. Not making up unexcused performances will result in loss of points from their grade that will be made up only to a 70% by completing an alternative assignment as determined by the directors. Directors will handle excused absences on a case-by-case basis.

Expectations for All Other Outside Events

1. Be on time (early).
2. Be dressed in the appropriate attire.
3. Have your required materials.
4. Follow all instructions from teachers and adults.
5. Represent yourself, your school, and your band in a positive way.
6. Show respect for volunteers (parents, bus drivers, trip hosts, etc.).
